We would like to reply to the FEC December 29, 2014 letter that noted Schedule A of our electronic filing did not include required 48 Hour Notices. As Treasurer of the Friends of Amata Committee, We are aware of the 48 Hour Notice but completed the form then did not follow through in uploading the required reports. We apologize for the oversight and assure the Federal Elections Commission that Friends of Amata has a system in place to assure all required 48 Hour Notices will be processed timely. We hope that our explanation will suffice and satisfy the Federal Election Commission Notification Letter alerting us of not filing the 48 Hour notice timely. Sincerely, Michael L. Usle, Treasurer.
